

Shake well before use.
To be applied by competent persons only.
Read the directions for use, carefully.
Consult your advisor for specific crop and site recommendations.
Do not exceed the indicated dosage.

Signal word: **Warning**

Warnings:

- Harmful if swallowed.
- Causes serious eye irritation.
- Toxic to aquatic life with long lasting effects.

Precautions:

- Avoid release to the environment.
- Dispose of contents/container in accordance with applicable local, regional, national, and/or international regulations.
- If swallowed: Call a poison center or doctor/physician if you feel unwell.
- If eye irritation persists: Get medical advice/attention.
- If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Contains: Ferrous sulfate heptahydrate, Manganese (II) sulfate monohydrate, Zinc sulfate heptahydrate.

Compatibility with other products:

- Do not mix with alkaline products.
- Test the compatibility of all mixtures before use.

Specific directions for storage and handling:

Store in a cool, dry, well-ventilated area, out of direct sunlight. If spillage should occur during handling, transport or storage, wash the affected area with plenty of water.

Organic Agriculture: Confirmation of Compatibility for the use in Organic Agriculture, issued by BCS ÖKO GARANTIE according to the requirements of: (CE) n° 889/2008, Annex I (European Union).
