Potassium (K)	100

5 KG

PROUDLY SOUTH AFRICAN PRODUCT

**FERTILIZER GROUP 1
REG. NUMBER K11791
ACT 36 OF 1947**

GENERAL INFORMATION

POWER LAWN™ was formulated to improve the growth and development of grass species.

DIRECTIONS TO USE

- A long-term benefit of **POWER LAWN™** fertiliser is that grass/lawn grow uniformly throughout the growing season
- Use only as directed
- For use on lawns and grass varieties
- When applying, it is best to do so in the morning or late in the day when plants are most receptive
- Be sure to spread the fertiliser evenly
- Spread the required fertiliser on the soil while wearing gloves

WARNING

Keep out of reach of children. Do not swallow. If swallowed seek medical advice. Avoid inhalation and contact with the eyes and skin. Users are encouraged to seek further advice. Water quality can affect this product's performance. Water quality and pH testing needs to be conducted to ensure optimal product performance.

CONDITIONS OF SALE

Although this product has been extensively tested under a large variety of conditions the registration holder does not warrant that it will be efficacious under all conditions because the action and effect thereof may be affected by factors such as abnormal climatic conditions as well as method, time and accuracy of application. Every care is taken during the manufacture of this product. However, as environmental conditions can vary considerably, the manufacturer, importer and/or its agents do not accept any responsibility for any injury, damage, loss, and/or any other detrimental effects or consequences following the misuse of this product.

CAUTION

Do not store in direct sunlight. Store the product inside at room temperature. This is a blended fertiliser in which some segregation of the ingredients may occur that may lead to some variation from the stated analysis.

APPLICATION RATES

Type	Application rate	Additional information
Grass	20 - 40 g/m ²	Be sure to spread it evenly before watering.
